

Clown Commemorative Ceiling Tiles

A once in a lifetime opportunity awaits you to have a portrait of your clown character, or the clown character of a friend or family member, immortalized on a 24" x 24" ceiling tile in the American Clown Museum.

Monica Turner, a local artist who designed and painted the clown vignette mural on the front of the Museum building has been commissioned to create these portraits. Spaces are limited; when the current tiles are filled, no more will be available.

To order a clown character portrait, please complete the bottom of this form and mail your check or money order together with the clown photo you would like to have recreated. The photo should be in color, clear and should show the upper one-third of the torso. This photo will become the property of the Foundation. We reserve the right to approve submitted photos.

The cost to produce the clown portrait is \$200 and is tax deductible to the full extent of the law. Mail this form to the address shown on the bottom of this form and please indicate CEILING TILE on the lower left corner of the envelope.
